Aims of this session

- Identify **challenges** and **opportunities** for balancing **place-based** and **global** perspectives
- Initial inputs for a collaborative paper

Our task today

- 1- 11:-05-11:10 Introductions
- 2- 11:10-11:50 Brainstorming
- 3- 11:50-12:20 Small working groups
- 4- 12:20-12:30 Sharing insights
- 5- 12:30-13:00 Conclusions

Brainstorming

- The niche
 - What questions can be addressed?
 - Which interactions can be fostered?
- The challenges
 - What have been the major challenges?
 - E.g. North-South imbalances
 - Conceptual vs. context rich perspectives
- The opportunities- Bright spots
 - What has worked?
 - What could work?

Brainstorming

- 2 modalities
 - A) 11-10-11:30- Individual contributions
 - B) 11:30-11:50- Plenary

Small working groups

- The niche
- The challenges
- The opportunities
- ..?

Sharing insights

- 12:20-12:30 Plenary

Conclusions

- 12:30-13:00
 - Main messages
 - Next steps towards a joint manuscript
 - Needs
 - Timeline
 - Responsibilities

Let's enjoy and be creative!!
